To my cousins and their families - my prayers and thoughts are with you at this time. So many of my memories are wrapped around the Rinefierd boys and their famous Pitch card games. They were loud, full of teasing and always filled with love. Uncle Ed was a corner stone of those gatherings - a sly one - he never missed anything - there always was a twinkle in his eye letting you know that he knew what you were up to even when you thought for sure he wasn't watching. Jack, Pat & Mike hold tight to your memories - know that the family share in your sorrow - and that we honor Uncle's Ed's life and devotion to family and friends. With all our love - Dave Rinefierd & family

Mike and all the Rinefierd clan:Ed was one of the nicest, generous and caring person I had the pleasure of getting to know over the years. He always took the time to ask how my kids and family were doing. There was times growing up (parties at the homestead in high school) that would have tested any dad's patience. Ed kept his cool and always made us feel welcome. Always enjoyed hanging out at Stafford Ave. and fondly remember the times with Ed and Junebug. Ed will finally back together with Junebug (you know she will be crying) and be in a happy place.My thoughts and Prayers,Tom Daddario & Family
