To the Foreback family, Our deepest sympathy to the family in this time of loss of one so special as Nancy. We knew her through the Bible Study at LFUMC and we always admired her insights and enjoyed her friendly approach. She always inquired how people were doing and greeted all with genuine interest. She approached her illness with dignity and faith and we admire her so much for that. She will be missed. We pray God's blessings upon her family. Wanda & Herb Baum

Curt and kids, Was so sorry to hear of Nancy 's illness. That should never happen to a nice person like her. Remember all the good times when you started dating. Dottie remembers that she would get her shower 5 minutes before you arrived. We loved to laugh and talk with her when you visited Luke. Know that we are praying for you and that the comfort that only God can give will surround you. THE MCINTYRE FAMILY LUKE MD.
