Marie, Lisa , We are so saddened with the news of Ricky. I am sure that you are all heart broken and there just aren't any words to help ease the pain. Neil (jr) felt so bad as he was telling us of always running into Ricky and they would talk about their years of growing up just a couple of blocks away and had many laughs about them. Was always very respectful . May he rest in peace amen. Love and prayers , The Bitetti Family

Dear Marie, Lisa and Mike - words fail me and all I can do is cry and pray for all of you. Lou and my children are so saddened by this news. I am so sorry that I cannot be with you all at this tragic time. I am sure that Aunt Anna and Uncle Ben were there to greet him and if my mom could, she would have greeted him with a dish of cookies. He will be discussing (arguing) sports with my dad and Uncles, Cos, John and Tom. You know that they never discussed always argued. This is such a tragic loss and we ask why, but only God knows why. He had Ricks place all ready for him. Our prayers and thoughts are with you at this very sad time. love cousin Mary anne

Dear Marie: while we only have met a couple of times I knew Ricky for about 5 years. We shared many conversations and he was a true friend. I know that words cannot ease your loss at this most difficult time, please know that there are many people who cared for him. We were very fortunate to have met him and have him in our lives. While he was taken way too early in life, he will live forever in our hearts and memories. Our thoughts and prayers are with you and your family. Fondly, Gary Vertigan
