Tammy and family, I am so sorry for your loss. Your mother was your best friend and confidante. I know there will be times you will go to talk to her or think that you need to ask her a question, and she won't be there in the way that she always has been. She will always be in your heart and memories. You can always talk to her and she will hear you. She is at peace now and in a much better place. May you find comfort in the fact that she is with God now. May he help heal your heart. Love , Eileen
