Tony's Family, I was so sad to hear about Tony passing away. I knew Tony from Grant Jr. High, high school and living on the North side. Even though we did not see each other on a regular basis, the few times that we ran into one another Tony was always smiling, asking how you are and wishing you well. Even though we lost touch, Tony touched my heart as he did with so many other people. May all the beautiful memories that he left us with be of comfort to all. My sincere condolences to Tony's family and friends. Fanny Pallotta

To my friend Tony, Rest in peace my friend although it's been years since we've talked, I remember the Carbon Street days well as we grew up together. Vaccaro's, Pallotta's, Pollastro's, and Squadrito's, I swear I was the only Irish kid around. Sometime in the future we'll all be together again. Until then, rest easy my friend and thank you for your service to our Country. Your friend, John Hayden
