John J. Collins

DEC 30, 1959 - AUG 4, 2013

John J. Collins, 53, passed away in Costa Rica on August 4, 2013. He fell off a ladder on July 29, 2013, hit the back of his head on the floor and never recovered. John grew up in Jamesville, NY and graduated from Jamesville-Dewitt High School. He moved to California and sailed the Pacific Ocean for many years on The Monatue, a 170 foot sailboat. John married Marianne Breslan, they had one daughter, Margaux and traveled around the world. Always first class: Indonesia, China, India, Galapagos Islands, Australia, Chile, Poland, New Zealand and Easter Island. He attended the University of California, Berkeley College. John was a computer programmer, had a Captain License, bought and sold real estate, he could build a house and custom build a boat. An excellent swimmer, he would dive off a mountain into the ocean, could hold his breath for five minutes and dive for pearls with the natives.

John is survived by his loving wife, Marianne; one daughter, Margaux; father, Thomas J. Collins; mother, Mary Collins-Triggs; mother-in-law, Irene Teterin of Costa Rica; step-father, Marvin Triggs. He was the grandson of James and Mary Kenny, Genevieve and James Kearney Collins, both from Syracuse, both deceased and the nephew of Sister Annemae Kenny C.S.J. of Latham, NY.

He also leaves behind 4 brothers, Thomas J. (Kathy) Collins of San Rafael, CA; Edward (Teddy) Collins and Stephen P. (Jennifer) Collins of Jamesville, NY and Joseph P. (Virginia) Collins of Clay, NY; 4 sisters, Carolyn (John) Hobbs of Lynchburg, VA; Joanne June of Jamesville; Louanne Collins of Forestport and Monica Merola of North Syracuse along with 26 nieces and nephews and 7 great-nieces.

Family and friends are invited to attend a memorial service in celebration of John's life on Sunday, September 1, 2013 from 9:30 am to 11:30 am at the THOMAS J. PIRRO JR. FUNERAL HOME, 3401 Vickery Rd. (corner of Buckley Rd.) North Syracuse, NY.

John was an amazing man. I had the great privilege of working with him and Marianne at Via Diva, and my memory of him is that of a strong and very capable man of many talents, not the least of which was his excellent sense of humor which is one of the many fine qualities that made it a such a pleasure to share any day with him. Almost every day there was a trail of visitors to see John and hang out with him because he was just such a wonderful fellow and so knowledgeable in so many areas. He was so interesting to talk to because he was genuinely interested in so many diverse things, and really good with people, too - no wonder the role of ship's captain suited him so well. But more than that, he was such an able captain of the good ship John Collins. I miss you, Mistersea...and the only comfort that I take in your passing is the knowledge that you really did live your life to the fullest - spinnaker unfurled - there are few that actually dare to do that. With great affection and many fond memories, Beth Hanson

Collins Family - I am so sorry for your loss. I remember you all from childhood in Eastwood. Johnny was the cute baby brother when you moved into the neighborhood. My first introduction to him was when he was about 2 years old, running up the street naked with a can of Raid, laughing his head off. Moose (Tommy) was trying to chase him down. Turns out he had escaped while Mom was tending to the other little ones and was on his way to Grandma Kenney's a block away. (Still not sure how the lack of clothing and spraying of insecticide factored in to it all, though.) It sounds like he never lost his sense of humor and adventure. My thoughts and prayers are with you all. Rest in peace, Johnny. Jane Blakley-Izzo Minoa, New York

Lou Lu and Monica, I am so sorry for your loss. I lost contact with John since high school but often thought of him. He was a good friend and always had a good attitude and a perpetual smile. Tom Sr. and all the Collins Family my Heart goes out to you for the loss of John. He was my Captain , my Friend, and like a Brother to me. We shared many adventures together at sea and his Adventurous Spirit and never ending humor brought light to the stormiest sky. He lived life to the fullest and brought much joy to all who knew him. He had the Spirit of the Manutea Bird that is called the " Little White Bird of the Everlasting Sky" He will be missed but his Spirit lives on in all of us. When I was depressed and homesick and I asked how he could joke about the worst possible situation no matter how bad things were. He just said " weather Good Or Bad, this too will pass " and just walked away and let me dwell on that. That stuck with me from then on. Bon Voyage Captain John, Fair winds and following seas.
