Tony and Jimmy-I am so so sorry to hear of your Mother's passing. She was a most gentle and lovely woman. I can remember so many times how your Father would speak of her. He loved her very much. They clearly had a wonderful love for each other and also for you both. You were blessed with a special person to be your Mom. Thank you to you both for coming to Dad's wake. While not the best of ways to see each other, it was good to see you. My thoughts and prayers are with you and your families-Joe Pietrafesa Palm Beach Gardens, Fla

Dear Tony, Jim and Families, Murph and I are sorry to have missed the services for your Mom, we just heard the sad news. We have many, many wonderful memories of your parents and they were a big part of our growing up. It is a privilege and an honor to have been in their company, worked with your (more like for!) Dad and learned from them both. They adored you both and couldn't have been prouder parents. Thank you for sharing them with the Learbury family all those years, they will be always remembered and missed. Love, Murph and Richard Pietrafesa

To all the Campagnas, I feel just terrible that I missed the calling hours and mass for your mom. I can't begin to talk about all the memories I have of her and your father and all the joy that came from being neighbors and friends. Your mother was a beautiful woman, with style and grace and kindness. I never heard her say a harsh word, and she adored your father. I still dream about standing in front of your garage door, waiting for your dad to open it and give us a ride to school on his way to work! The block picnics, the birthdays and holidays, all the fun (and sometimes not so fun) we had on Wilmore Place! It makes me sad to drive by now and see the empty houses...and worse to see others in them instead of our parents! So many more memories to share with you. Jimmy and Tony, you are my "brothers from another mother". Although we don't spend time together, it's always great to see you and it's like we still live next door...we don't miss a beat. Always remember the laughter and the love our parents gave us. it's unparalleled in the world today. XOXO

Jim and Lucille & Tony and Barb and family members -- What a joy to get to know Connie and her precious family. Just talking about her beloved sons would make her eyes light up and bring that beautiful smile (just like in the photo!) that we all came to love so much. You were blessed with a wonderful mother and she was blessed with loving sons and daughter-in-laws. It is a joy to know you. Our thoughts and prayers are with you all -- she will be dearly missed at the Heritage and at Loretto. Mary Koenig and the Heritage staff

Anthony, Barbara, Jim, Lucille and families, So very sorry to hear of your mom and grandma's passing. So many WONDERFUL memories of our time on Wilmore Place. We considered her our surrogate mom whenever our own mom needed her. She was a true friend to our parents, not just a neighbor. We know she will truly be missed. Our deepest condolences.
