Our family sends our sympathy to Florence's family. She and our Mom, Diana Doyle, were roommates at the nursing home for a while and we spent quite a bit of time with her. She always kept us hopping and Mom was never bored. She's in a much better place and we can just imagine the smile on her face and the twinkle in her eyes. God bless, The Doyle Family

I will never forget all the times we shared as family, especially the ones when I was a little girl. I still have the mustard seed bracelet you and Uncle Frank gave me when I was a young lady. I will never part with it. Sad to see you leave us, but know you are whole again and truly happy seeing all your family and friends that have gone before you. May my family have peace & comfort through God's love. All our love & prayers, Joanne & Denny

Rich & Denise, I am so sorry for your loss. May your beautiful memories of mom bring you great comfort now and forever. I had a lot of fun talking about recipes, family and Syracuse with her at your kitchen table over coffee when I would come to Florida to visit you. You are in my thoughts and prayers.
