Ginzie was one of the first to befriend me when I began attending her church in 1985. Along with her sisters Hazel and Lydia, she was a godly example to me in my early walk with the Lord. She was always available to answer my questions about mothering my very young children, and watched them many times in the church nursery. I've remembered her all these years (25) --esp when I use Joy or Dawn. :) My sympathies to her whole family.

May God be with your family and guide them through their mourning. You will be so missed, but we all know you are in a much better place. Your smile always lit up your face, and warmed the hearts of those around you. Every time I think of you, I will remember you with that beautiful smile on your face, and imagine the warmth and love shining out of you in Heaven. Love, Marcia

The amount of grief we experience at someone's passing is an indication of how much they added to our lives. There is a mountain of grief after Ginzie's passing. She was such a wonderful example of kindness, love, joy, and humor. Truly, she was the ultimate example of a good mother, and I enjoyed the time I spent with her when I was a teenager. The last time I saw her, we had breakfast and relived fond memories. I'm so glad I had that time! She raised a wonderful family, was a true practitioner of her faith, and remained amazingly active and involved. As she advanced in age, Ginzie blossomed and became even more beautiful and happy -- a true angel on Earth. The void she leaves will never be filled. That's how much she meant to those who knew her.
