I am so very sorry to have found this out! I knew Rita and her sister Theresa from Schiller Park and Henninger! This is such a shock! In Fact, last night (August 3rd, 2014) I actually sent her a message on Facebook not at all knowing this! I feel so embarrassed by that! I had not seen Rita or her family in years! A friend of mine, Tony Callipari and I (Michael Anthony Melice) had met her while swimming at Schiller Park in the summer of 81. I ended up dating her sister Theresa while Tony sort of dated her that summer! I always thought Rita was such a sweet woman! I am so truly sorry to Rita's family and it's very painful to realize this happened! I will definitely keep you all in prayer! I actually feel sick to have found this out! God Bless you all, and know that I so Truly Sorry for your Great Loss! Rita was truly a wonderful girl, woman and I am sure a wonderful Mother and Wife! IN His Love, an old friend from the North Side (Hier Avenue) and Henninger (Class of 85); Michael Anthony Melice

Attended your NY services last evening. Remembering the time you and Candice sang at the memorial service for a mutual friend, Steve Galek. The worship was beautiful and both of you sweetly singing ushering in the presence of the Holy Spirit, while Pastor Paul gave brief message. Also remembering the wonderful mom you were and how you taught Gabriel about Jesus and simple songs he could repeat when very young. Thank you for being a friend that would always come along side and brighten up a day. You will be so missed. Till we meet again may you rest in God's presence. LoveJanis

What a priviledge it is to have been to have Rita as my very best friend for 16 years.....she was a 2nd Mom to my boys when they were young....we made so many wonderful memories...our "rocking chair moments" that I will always cherish!! My heart and prayers go out to the whole family and friends....please remember what a beautiful person Rita was, her smile, wink, quick wit and heart. She is with her Savior now...no more heartache or pain. Thank you God for 16 years of memories we made!!

I loved you my friend for over 30 years. I was blessed with our friendship, so many loved you. You will be missed and thought of daily... last night I went through and read all our emails, txts, (well not all, so many but some) and I smiled at your love for family and friends, God, Karaoke, and Coco... Miss you...Wayne Maloof.

Dear Troiano family, My brother and I were somewhat "adopted family" by Uncle Lance and Aunt Joan for a few summers in our early childhood. Remembering Rita, I have memories of a sweet and happy smiling girl who had a very loving spirit. I hope that the love of your family and friends can help you through your sad time. Sincerely, Karen (Fay) Teachout

My dear Cousin I wish I had known you better. What I did know was Rita had a good heart, a generous spirit and a smile that lit up the room. I will remember her always with love and compassion and hope that she will find peace instead of the torment she must have been feeling. My deepest sympathy to her two young men. I know the grief of losing my mom, and I no matter how old anyone is it is a huge loss. I don't know the loss of a sibling, it must be almost as rough. My heart goes out to her sisters and brother. Prayers and love to all.
