Michelle, My prayers are with you at this time. Robin was such a wonderful person. I would call her when I was doing collections and customer service here in Buffalo, never did she turn me a way. She always helped me no matter what, we would laugh on the phone and say some crazy things she was awesome. I never got the chance to meet her in person, but she will dearly be missed. May Gods arms be wrapped around you and give you the strength you will need to go forward. Remember all the fun and laughter you hold close. God bless .Shelley McMIndes (ngrid niagara falls)

Mr. Coup, Mila, Tina and Tony, I am so sorry for your loss. Your mother was a true gift and blessing to all that she has touched. She was taken aback because of everyone's kind words and concerns and cards. But that was her, always looking out for everyone else. Mrs. Coup took me in one day and kinda adopted me. She was my family when no one else was. The only thing pulling me through is the unquestionable faith mama coup had in God. I know that if she could not be here with us, that being in God's hands is where she would want to be. That gives me peace, and I hope will help you all as well at this trying time. I am here for you. I will keep your family in my thoughts and prayers. Love you! - Jodie
