Dear Dr. Campanile and David, What an impact Natalie had on me as a just-married-bride, living in your N. Orchard apartment! There, she inspired me to treasure the roles of wife and mother, as she did; and she showered me with care and guidance, as a mother would. Her influence has continued through the years, as I watched her traverse the many blessings and challenges of life with poise, dignity, faith, and love. I will miss her. My love and prayers are with you, Joy

Aunt "Ad" was a very important person in my life. She and Aunt Kate together played vital roles in my childhood and are directly responsible for the person I have become as an adult. Minus her intervention my life would have taken a much different turn. Thanks Auntie
