Kevin will always be missed! He was a great guy, good friend, reliable co-worker whom i enjoyed working with every day! As the only two guys in bcu we talked about hunting, sports and other random "guy" stuff. It allowed us to bond as buddies a little more. that makes this loss a little more hard for me but he fought hard and we all admired him for it! All my best wishes to his family.

I met Kevin at VanDuyn BCU where my Mom spends her days. Kevin and I became fast friends; he could always make me laugh and we constantly had a smart remark for each other. The funniest thing that happened was when my 88 yr old mother who has alheimzers asked Kevin if he wanted to have twins with her. Needless to say, I would ask Kevin when by "brothers" are born would that make him my "Dad"? :)Kevin was a great friend and a great father; he talked of his children often. The BCU is not same without him. I miss him everyday. My condolenses to his family.Karen Regitano
