Becky was a one-of-a-kind friend that you could see/speak with after several years and it was as though you never lost any time at all. She had an enormous smile, sense-of-humor most would kill to have, fierce loyalty, champion of the underdog, and so much love for all- most especially her girls. My heart broke when I learned that she had passed and so suddenly. In her passing, Becky has made many of us remember to never take life for granted as well as to make sure you say what you need say to your loved one. I would give anything for one more conversation with her. To her family, especially her daughters, please know that you are all in my thoughts and prayers. Know how amazing your mom was and live in that light. She loved you all so much. Best wishes, Kandi Karaffa Gunter
