NOV 14, 1944 - AUG 3, 2014

Alberto V. Salomone
8-3-2004

We lost a great person on Sunday, August 3rd, 2014. Alberto V. Salomone was a very unique individual, with characteristics including generosity, wit, and a grand sense of humor. Al's charisma and energy attracted others instantly, making him loved by many.

Alberto was born in Syracuse on November 14, 1944 to the late Elena "Helen" (Saudella) and Albert Salomone. He was a graduate of North High School in 1962 and continued his education at Niagara University, earning a degree in education. He began and ended his career as a business teacher with the Syracuse City School District, retiring from Fowler High School in 2000.

His second family was the Cannatas at Lou's Care Car in Baldwinsville, where he could be found everyday answering the phones and spreading good will to employees and customers alike. Even in his attempt to retire to Venice, Florida, he acquired yet another close "family," as he began volunteering for Emillio and Loredana Rossitto and family at Angelo's Italian market. He immediately gained a legion to new customers and friends.

A renaissance man by nature, he was most passionate about baseball, specifically the New York Yankees, riding Harleys with his beloved friends, music, and old movies. He treasured mementoes, family photos, and of course, new and old cars. Later in life he realized his dream to perform. He acted in community theatre working with the Baldwinsville Theatre Guild in South Pacific, My Fair Lady, and Salt City Playhouse in Joseph and the Amazing Technicolor Dreamcoat, Jesus Christ Superstar, and The Christmas Story.

He was predeceased by his parents, Elena and Albert Salomone, sister Assunta "Susan" and brother in law Vincent Cogliandro. He is survived by his brother

One of the best teachers, motivators, a man larger than life that Fowler High School ever had. This man knew how to teach. He made learning interesting and fun. He gave examples of true life situations. He made you think. He had respect of all of his students. He showed everyday that he truly cared about each and every one of his students. He made you want to come to class everyday (even if it was just for his stupid jokes). He showed the true meaning of teaching. He knew how to get you thinking about yourself and your potential. He made a big impact on many students. He will be truly missed. RIP AI BOOM BOOM Salomone. Theresa (Rhoads) Spencer Class of 1980.
