To Dr. Ascoti's family.....it is with the deepest sadness that I read of your dad's passing. Not only was he my dentist for years, he was one of my favorite people! I just loved Dr. Ascoti - what a warm, funny, and wonderful gentleman. He knew my parents well from many years in Solvay so we always had lots to talk about. Please know I am thinking of you during this difficult time, but I know your dad is looking down with a smile and a funny story. Take care.....Rockette Pirro Brunetti

Dear Family of Dr. Ascoti: As a lifetime patient of Dr. Ascoti, we were deeply saddened to hear the news of his passing. The many trips to the State Tower building and the University building created a friendship far beyond doctor/patient. He was always there for us in the course of the numerous visits to his office. It was an honor and a pleasure to be patients of such a wonderful person. He is in our prayers. Barb and Dave McPeak
