Colonna (Orso) Russo

JUN 30, 1931 - DEC 18, 2014

Colonna (Orso) Russo, 83, passed away peacefully on Thursday, December 18. She struggled for many years battling a variety of illnesses. Colonna is now at rest with her beloved husband, Joey. He was her soul mate and best friend through 60 years of marriage. Joey passed away in January 2012. Colonna tried her best to remain here for her family, but her heart was truly broken. She was a courageous woman of strong will and determination.

Born June 30, 1931, Colonna was a lifelong resident of the Syracuse area. Devoted daughter of the late Anthony and Josephine Orso, she grew up on the "Northside". Colonna graduated from North High School. She married Joseph Russo in 1951. Husband and wife worked side by side in the Produce Business for most of their married life. In later years, in sickness, their devotion to one another never wavered.

Colonna was active in her community, serving as President and officer in the Daughters of Columbus. She was also a life member of the St. Camillus Auxiliary. Colonna enjoyed being around people. She was a take charge kind of person and liked being involved in any projects-large or small.

One of her favorite things to do was getting together with the "ladies" to play cards.

Colonna was a wonderful baker. She welcomed family and friends into her home for a visit and delicious desserts. Colonna also loved to sew and was a very talented quilter. She leaves her family with many beautiful quilts that were made and given "with love".

Last, but not least, Colonna was devoted to her family. Being a wife, mother, grandmother and great-grandmother was a commitment that she took seriously and held close to her heart. She could not rest at night unless she knew that all of her family was safe for another day. Colonna's admirable legacy as a woman of strength and courage will live on forever in all the hearts of her family and friends.

Mary Jo, Joanne and Family, you were blessed to have had such wonderful, loving parents. The grands and great grands were such a great source of pride and love. I was lucky enough to have enjoyed her delicious baked goods and had a wonderful time playing cards with her. She is an inspiration to all who have medical issues as she was always so upbeat and courageous. I am glad to have fond memories of such a beautiful family. MaryBeth Condon Vero Beach, FL

Dear Mary Jo and Joanne....I just learned today about your Mom's passing and I am so sorry I missed her services. I have wonderful memories of hanging out, and growing up on Parsons Drive. Your parents were always so kind and generous. Mrs. Russo was such a role model for us and we admired her so. Her love for you girls and Mr. Russo was always obvious. What a wonderful family legacy you have, and in this, you shall find comfort. My sincere sympathy to all your family on this very sad loss. What a beautiful lady!!! Marilyn Wadach OConnor

Joanne and May Jo, my father gave me your mother's obit over Christmas when we were visiting Syracuse. I'm so sorry to hear it and wish you the peace of knowing she joins Joe in happiness forever. It is so hard to watch this generation pass yet they teach us so much about age with dignity and tenacity. Some of my fondest high school memories were at your house, Joanne, talking to your parents on the front porch. They were both wonderful people. My thoughts are with you through these holidays. Al

Mary Jo and Joanne and families. we were truly heartbroken to hear of Aunt Colon's passing. We, Haleys, have so many memories from our lives together and are forever intertwined. If it wasn't for Aunt Colon and Uncle Joe, I wouldn't have fallen in love with miniature dachshunds, because they gave me the first one when I was just 4. I am so happy that my mom and Aunt Colon recently spoke (and shared tears) on the phone, it made the miles and years apart disappear. Our collective hearts and prayers go out to you and the family. love, Mary Margaret (Haley) Shanley and Mom (Mary Haley)
