I will miss Frank. I was the only one he let play the Mason and Hammon Piano when I was little. It is because of him that I have such a passion for pianos. Growing up with him and Aunt Rosie, Uncle Tony and Patty was the best. We all had such fun together. They are my second family. Rest in Peace Frank. I love you.Diane

Patti and family, sorry to hear about Frank. I remember visiting as a kid with my father and he was always playing his music. I really enjoyed the piano's the most, what a collection to be proud of. You are in my thoughts and prayers. Terry Marra
