Sue, I am so sorry to hear about Dave. I use to love drinking beer and joking around with him. I often wondered what was going on with you and him. But you know how it is. People go there ways and often forget old friends. I built a log cabin in Fabius and have been living out here over 20 years. I still have that ceramic your brother made and you gave me for a house warming present. We never could come to a conclusion what it exacty was but we made a couple of good guesses Again and I am sorry for you and if you ever want to chit chat about old times give me a call.Ronald Romancik575-0084
