My Aunt Mary, what can I say, even though I didn't see her as much as I would have liked she was always there for me when I was younger, she would show me how to do things and we always talked on the phone, when I had my first son, she would come over or call all the time. I hope she knew how much I appreciated and loved her. I am so sorry for our loss, she will be missed by all who knew her. She raised a good family and the best grandchildren who made her laugh and cry. I love you my Godmother, say hi to Uncle Pete for me (your Chick) R.I.P. ---Tommy and Mary

Shelly, Peter & Families Mary was a very special lady with a big heart and a big personality. It was obvious to all that her family were her life, and she was also a loyal and treasured friend. We will always think of her with great affection, and remember the good times we had over the years. She never failed in making us feel warmly welcome when we were with her and Shelly in their home. She will be so greatly missed and our thoughts and prayers are with all the family at this sad time. Love Sandy and Rayxxx
