In the words of one of my good friends "Find a bit of beauty in the world today. Share it. If you can't find it, create it. Some days this may be hard to do. Persevere." This really is Aunt Barb. She not only helped raise me but the pass 3 years has called me every month sometimes 2 times to yell at me and remind me to go to my check ups. I miss her but know her beauty is all around me

Barbara and I lost our husbands 6 weeks apart in 2012. Together we worked through our grief by supporting each other. Barb was a good friend and I will miss her, but knowing she is with her Joseph makes me smile. I was blessed to have her as a friend.
