I am so sad to hear of Rosalie's passing. She was such an integral part of our family. I will always remember her distinctive laugh and her wonderful smile. I wish I could be there with everyone, but please know I am with you all in spirit. I will be thinking of her and all of you tomorrow as you say your final good-bye. Love to all, cousin Dolores

I'm sorry to hear about Rosalie's passing. She was a sweet woman who was a quiet presence in our neighborhood on North Townsend Street when we were growing up. We loved that big family she came from, in the red house across the street. I recall her working at GE with her brother and how she would give a shy smile as we passed on the street. I know she is resting with her other family members now -- hanging around a heavenly dinner table, passing the pasta.

Another part of the family tree has been taken from us. I know that in the past few years she was not the Rosalie we knew and loved. Her smile and laugh will stay with me forever. She played with us when we were younger and laughed with us as we grew. I am sorry that I can not be with you but know that I will be fondly remembering the family times on Townsend Street and Union. Love to all of you. Cousin Diane Selleck
