Vera, we love you dearly with all our hearts. I remember when you and Ed came to visit us in Texas, and my sons instantly loved you and just adored your cooking. I still can't make meatballs for Jonathan the way you did. I will always be grateful to God for placing you in our lives. So full of life, so beautiful, your love for family, and always smiling, and we just LOVED the way you spoke Italian in full speed. But I will mostly thank God for the love that you and my brother Ed have for each other. My prayers are with him and your family...I love you, miss you and you will always stay in my heart..R.I.P
