I was fortunate enough to get to know Steve over the past five years. I will always be grateful for the opportunity, he had the best sense of humor and could always make me laugh. Sarcasm was never lost on him, even through his pain he found humor. I know we have another special angel looking over us now, one that will laugh with us and at us when we are doing silly things, rejoice with us during lifes triumphs and watch over us during times of difficulty. Fly with the angels my friend, just don't try to tell them what to do. I will truly miss your friendship.

Many of my memories of Steve were at your (Kate & Jack) Holiday Parties. I always looked forward to seeing Steve and Linda there - they were so much fun to be with and I was never disappointed each year - what great memories - Another memory was when I first met Steve at Lin & Steve's apartment in Liverpool, years ago - we were talking and somehow the subject of favorite movies came up and Steve said he liked musicals and his favorite was "Music Man" - I didn't know if he was just kidding or not, but this past year, in April, when we were with Lin, I brought up the "Music Man" subject again - and he said it again that yes, indeed, "Music Man" was his favorite movie...Steve - I still don't know if you were kidding, 'cause you were such a "kidder"...
