My memories of Aunt Theresa are sooooo very wonderful. Loving, kind, always helpful and considerate. Aunt Theresa, Aunt Mary and Aunt Lena were always the best "aunts" anyone could hope for. Going to Gramma Presutti's (zizi soond's - at least that's what it sounded like) was always a wonderful place to be for the holidays. All the family joining together and the three Nocchiero sisters making everyone feel welcome. The bustling around, the wonderful food, the happy times that I will never forget! Thank you for that! You always made us little Mann children feel like we were special and you were never unkind! I love you all and my heart is broken over losing Aunt Theresa but I KNOW where she is and I look forward to seeing her again...much love to the family and sincere heartfelt condolences for the losses you've suffered. Ann Marie August (Angie's daughter)
