Frank Anthony Bersani, Jr., 57, of Dewitt, NY, passed away unexpectedly Saturday, February 11, 2012 in Clearwater, FL. He was born in Manhattan, NY on July 3, 1954 and resided in Syracuse his entire life. Frank was a graduate of Christian Brothers Academy, Class of 1972. He received a Bachelor's of Arts degree from St. Lawrence University in Canton, NY in 1976 and a Syracuse University Law degree in 1980. Dr. Bersani, Mrs. Bersani, TAB, Joan, Stephen, and all of your family that I have come to know over the years, I have had the pleasure of seeing the warmth, the love and happiness that you all shared whenever together. Although I had only met Frank but a few times, his smile and wit are memorable. I am so sorry for your loss, and for that of his wife and children. The service at Pirro tonight and the attendance was a tribute to what a great son, brother, husband and father he was. The impact he had on his friends and this community was so evident this evening. It really was a great tribute to him and to you as a family. While I understand that nothing can mend this enormous loss to you all, I do hope that you feel our grief for you; our love for your family; and most importantly, our recognition of such a great life lived. It is not surprising that he went on to law school and a successful legal career. We hadn't spoken in many years but I can see the glint in his eye in the photograph posted on this website showing that he remained a very special person throughout his life. My favorite memories of Frank are being maid of honor to his best man at Joan and Tab's wedding, and the time that Frank, Worm and I visited them in Philly (to summarize: Frank drove, we had a flat tire and a near-collision, and yet, I laughed all the way down and back). I also loved it when, after Boo went through his growth spurt and was taller than Frank, Frank quipped, "Now we call him, 'Sir Boo.'" Please know that my parents, my siblings and I are all praying for you. Rest in peace, Frank, until you and your loved ones are together again. Love, Glurk (Nancy Christy)

To the Family of Frank A. Bersani Jr., I am sorry for our great loss. I have many good memories of growing up with Frank Jr. as well as Mike, Tab, Matt, Steve, and Chris. Some of the times we had will never be forgotten. Those days around Shirley Rd. and Woodside Dr. I will always cherish. I don't know how many other families who were lucky enough to be located such a short distance from their cousins, but it allowed our families to spend a great deal of time together. Watching Uncle Frank and Aunt Peggy's boys grow and mature and become successful at their chosen careers was a pleasure. Dr. Thomas stopping by my work after he finished class at Upstate, seeing cousin Steve at the tennis club and communicating with Michael at his Law Firm and most recently running into Frank Jr. in the Courthouse on occasion while he was representing a client. I choose to remember these times rather than dwell on Frank Jr.'s untimely passing into the realm where he will enjoy the rewards he earned by being the wonderful person that he was. When a friend or loved one passes, I realize the truth of the words "Do not grieve for the one we lost, but for the ones he left behind" Because of the faith that Frank Jr. embraced, I am confident that he is where we all will eventually reunite with him, my sympathy is for us, the ones who must continue life without the pleasure of his company.
