Linda, my dear friend. I will miss your smile, your laughter, and your deep compassion for all the animals here at Kindred Kingdoms. You enriched my life just by knowing you. Our Olive Garden lunches, our confidential talks, and oh yes, your baklava that sent sweet honey dripping off my chin will forever remain in my memory. God speed to you in your next journey. You are deeply loved.

Linda, you were a kick in the pants. Your humor and your love for animals filled each day of your life. I was pleased to have you as a friend for the last 50 years and to receive the cards that you always signed, "Love ya, Lin." We knew you were sick, but the last time I was in Syracuse this past January, I never expected that it would be the last time I'd see you. The last thing I remember is you standing on your front porch waving good-bye to us. Now you can travel through the stars with your beloved Foxy.XXX Donna
