Vicki Lougheed lit a candle in honor of Samuel .

There is a place in our hearts that only someone like you could fill. The minute you entered a room it lit up with your energy and your laughter. That mischievous twinkle in your eyes kept us wondering what prank was coming next! You made us laugh and taught us not to take life quite so seriously sometimes. You had a kind and generous spirit and it gave you such genuine joy to be so giving. You were a wonderful brother-in-law and endearing uncle to us. Our lives are forever changed because you touched them. You were a gentle, great, loving man that will be missed by all of us that loved you so dearly. Vicki, Bill, Sam, & Gracie

Sammy how Denise was so proud to have you as a brother, she looked up to you like no one else. Now that you, Frank, Tina and Denise are together you can all laugh and have a great time again. You could always make us laugh. I loved your family like it was my own. You will be missed. Cindy
