Paul and Family, we are so very sorry for your loss. Carmella was such a wonderful woman. We have been so blessed to have neighbors as wonderful and caring as you. You helped us in our time of need....When John was hospitalized, you helped comfort Elizabeth. Elizabeth often talks about her time with Mrs. Mayer and how she took care of her, comforted her, and gave her ice cream. You are in our thoughts and prayers. Barb, John, Elizabeth, and John DeNicola

Paul, Sandy and family - I have already expressed my thoughts and feeling to Sandra on line and what more is there to say except she was a lovely, wonderful lady. I have know her since we were about 12 and of course there was the family connection with Ellie and Sam but we were friends first. Loved our golf outings, our bunco group, St. Theresa society. We were the hellions and did all the funny stuff along with the meetings I have so many happy memories of spending time with Carm.. The day all the guys went golfing for the Sacco wedding, we had a ladies luncheon and then she and I went back to my hotel and had drinks and buffet and had such great conversation and laughs. She was always my buddy except when we were opponents on the golf course. Ha Ha. It was an even match. Wanted to see her when I was home but the girls said she was receiving no calls or visits. I will cherish to memories we made. Love Mary Anne and Lou

Dear Mayer Family, I am so sad to hear of Carm's passing. We played golf together for many years, and I attended high school with her nieces and nephews so I have known her and her sister Ellie for a long time. Such fun-loving women, and always so kind and so funny! I wish I knew she wasn't doing well as I would have loved to visit her. Sending up a prayer to her now. May she have peace. I know what it's like to have difficulty breathing. Her struggle is over. What a beautiful picture of her you have put with this obituary! She was truly lovely inside and out.

Thanks Lu-Ann. I am sorry you had to find out that way. There were so many plans and calls to make. This has brought me down a memory lane that greatly included your mom as well. Love you.

Paul, Sandi, and family... I opened the paper and saw on that day my godmother, along with 2 others from my past had died. I was sad to read of the illness that took her life....but knowing the kind of life she led..her family and friends love will generate memories and laughter for years to come. I will ever be thankful for her visits with mom while she was recovering at St Camillus...I know the three of them are elated to be together again.....May the wake bring friends and family together to celebrate her life ...and knowing the prayers and condolences ..ease the healing that will take place in the days to come. All my love Lu-Ann and family
