Dear Marilyn, Jim was a great asset to the Syracuse Pistol Club. It was through his efforts that many projects, that had been talked about for quite some time, were actually completed at the club. He was a great organizer and project leader and the SPC is a much better facility because of his efforts. David Hagenmayer, SPC Director

Dear Marilyn and Family - This is still such a nightmare to Wayne and me, as well as to all the "Gang". We have shared so many great times together and those are the ones we will cherish forever! Jim had so much to offer in life, and he lived it to the hilt. We will miss our get-togethers, although they have been infrequent since you moved to the Syracuse area. But we are only a phone call, an email, or a text away. We are here for you always, and Jim will be in our thoughts and prayers and memories forever! We love you!! xoxo
