I have fond memories of Aunt Connie and her sister Pepsi. She was a beautiful and a unique individual. I always liked the fact that she was from Boston, unlike all my other Aunts and Uncles all from Central NY. I remember a number of times sitting at the table with Aunt Connie and Pepsi, both smoking and having a good time. Connie was so unlike my other Aunts, who were sorta prime and proper. I loved your Mother because she was the only Aunt I had that swore, besides Aunt Virginia. We're all going to miss her presence, but she'll live on in our hearts
