I hadn't seen her for years, but the last time I saw her it was so great to see her big smile and hear that laugh! She was a beautiful person and always fun to be around. So sweet and caring. My condolences to you all.

I will miss Kathy humor and good times that were had the neighbors halloween/house parties. We shared many laughs and had so much fun poking jokes and talking about things that I won't mention. But if you know Kathy, some of the things that happened and the stories that were told afterwards could make the NYtimes best seller as the most hilerous. All you have to do is ask Jack. We will miss you. Bill & Margaret Hart

How lucky we all are to have known such a wonderful, vibrant person. Kathy was there in good times and in bad and was there to support us when needed. Her funny wit and bizarre stories will be missed, but most of all her caring heart. She was God's before she was ours and he can take us back whenever he chooses... we have to have peace that she is with her Dad now and watching over us all. This is truly surreal.. a sweeter heart did not exist - even though we lost touch in the past few years, Kathy - you KNOW we loved you. The times we had so many years ago, on vacations, maine, cancun, were unforgettable. Your laugh is one of a kind, nobody has that laugh and I will miss that more than anything - I will miss the giving and kind heart that always put others first. Crying big time for you girl - just the thought of not seeing you on this earth really hurts. To your family, I would just like to say that Kathy was a woman of great faith, her rosary beads got a workout on a daily basis. She knows your pain and prays that you keep the same faith that she always had. God Bless Her - and you her family as you get through this very trying time. Knowing her , she would saying right now to you all, its OK! She's fine and waiting to see you .

Dear Kathy, This must be a bad dream...how does someone who has always lived life with such passion and love get taken away so early? I have so many memories from childhood, to teenage years, to my maid of honor and godmother of my first baby. I feel like there is this huge hole in my heart. You are the most wonderful, funny, loving, giving, talented and passionate person I know. There wasn't anything you couldn't handle, and handled it with grace and a smile, I wish I had your strength. You were always the one to pull everyone together and now we don't have you. I will pray for Kelly, Kathleen to find the strength to get thru your terrible loss, I know the girls were the light of your life...Kloe, my heart breaks that you will not get to know your grama, she had big plans for you...Kathy yelled at me and said "you didn't tell me how wonderful it is to be a grama" I said yes I did, now you know. Keep your grama's memory close, she will always be there, just talk to her, she will hear you. Jack...I don't know what to say except thank you, for making her so happy, she loved you sooooo much, it is just not fair. Christine and Jamie, I know the pain you went thru, because we went thru it too. I am so devastated for you, there are no words. Auntie, I can only imagine the hole in your heart, you did a good job, she was the best and remember your family needs you...stick together it is what Kate would want. And to everyone who ever loved, laughed, danced or enjoyed life with Kathy, I am so sorry. Pam

Words cannot express the love that they have for her. I am truly sorry that Kaleb is not able to grow up with her in his life.. I know how proud she was the day Kaleb was born.
