To the Nappa Family... I am very sorry to hear that David has passed away. I remember him as a fun guy, a devoted husband, and a good father. Many years ago, we all were surprised and pleased that he had chosen Esther as his life partner. It was a wonderful match. As a young man, I remember him polishing up his car in the driveway on Burdick Ave, going out bowling with a group of us friends, and always dressing as a dapper guy. I'm so sorry that this terrible disease has taken yet another good person.
