Karen A. White

JUL 11, 1956 - FEB 21, 2017

Karen A. White, 60, of North Syracuse, passed away peacefully on Tuesday at the Francis House. She was born in Syracuse, grew up in Camillus, and graduated from Bishop Ludden High School. After high school she served active duty with the U.S. Army. Karen attended OCC and was a determined student prepared to earn a college degree while working her full-time job. She pursued a career in the food and catering industry and earned her degree in record time. Karen's ability to learn quickly, extensive experience in the industry and her passion "to feed the world" resulted in the creation of Julie's Place, home of Karen's Catering in downtown Syracuse. Since 1992, Karen has earned an impeccable reputation for offering quality service, creative menus and elegant dining, drawing rave reviews from dining enthusiasts all across the U.S.

Her passion for wonderful food and exceptional customer service brought joy and happiness to many. Karen was tireless in her commitment to those she served either in their homes or in her restaurant. Karen will be deeply missed by all who knew her and worked with her.

She was predeceased by her niece, Kelsey Lunden in 2007, and her father William E. White, Jr. in 2013.

Karen is survived by her mother, Helen (Menard) White; her longtime companion, Anthony C. Sgroi; her brother, William White of Oswego and his daughters, Addie and Mackenzie; several aunts, uncles and many close friends.

A Funeral Mass in celebration of Karen's life will be held at 11:00 AM on Monday, February 27, 2017 in Holy Cross Church, DeWitt. Private burial will be in the Onondaga County Veterans Cemetery.

In lieu of flowers, donations may be made to the Francis House, 108 Michael's Ave., Syracuse, NY 13208.

Karen, I've had this written in my head for a week now but just couldn't get through putting it to print. I hope you are reading this in peace. It was my privilege and honor to have been your friend for the past 33 years. Everything I learned about good food, good drink and exceptional customer service, I learned from you. Your work ethic was second to none. It made me tired when I worked for you and it still makes me tired just thinking about it all these years later! I will cherish the memories of our dinners out with Michele, catching up, laughing at old stories, and you ordering nearly everything on the menu so we could sample it all. Always a selfless friend, you would never let the conversation linger too long on Karen, no matter how hard we tried to make that happen. It makes me laugh when I remember how you used to poke around my plate with your fork, tasting my food and giving my meal the Karen "once-over". Thank you for all the wonderful meals you provided to me, Danny and our families. Whether we were celebrating or grieving, you were always there with food and drink to add to the celebration or soothe our souls. In the days to come, every time I take a sip or a bite of something delicious, I will smile knowing that you are around me and most likely had something to do with it. Now my friend, take your much needed rest. Eat, drink, play the piano and read some good books. I know one day we will have dinner together again, but until then, I will miss you deeply and for a long, long time. Connie

I work in a Dr.'s office that has been using Karen's catering for years, I often called and spoke w/ Karen, she's always delightful, chipper & helpful when placing orders. Always accommodating in every regard. A number of years later I got married & she offered to make a dinner, deliver the dinner at what was a VERY fair price just as a small post wedding celebration from our wedding. Me & my co-workers here in the office will miss Karen very much. Thank you for all you have done Karen. We all were very saddened to hear of her passing. Rest in Peace Karen!!! Liz

Karen White was one of the first people that I met in Syracuse...so warm and welcoming then, in 2012 and always, after. Helen, Bill, and family, Mom and I were so very sorry to hear about Karen's passing! Over the years Karen and I had the chance to reconnect..she would shop at my friends store where I worked, or we would eat at Julie's, and later when mom would move in where Bill and Helen lived. We talked about past memories of going camping or being at one another's houses when our parents got together. I would kid Karen that I was going to dig up a picture of the two of us in knickers or of Billy making faces out of the back of our old car. Of course we would talk about current lives as well..work and family mostly. I grew to admire Karen for her work ethic, her endless energy, and her positive nature. I watched how she managed her business, took care of her parents, and always had a smile on her face. I always wondered how she did it all and never looked tired. She was welcoming to all who knew her and made you feel special. I can't believe Syracuse has lost such a good soul. Just a week ago I ran into someone who told me they thought Karen was sick and I was concerned. I wish I had known sooner. May God hold his hand out for her as she continues on her next journey and may the wonderful words from others warm and heal your hearts. You will be missed Karen..God Speed! Karen always made my mom and dad feel special during their times at Julie's. She was the one and only caterer our family called upon and at each occasion the food and service was always at the highest level. When my mom was diagnosed with her illness, Karen went above and beyond the call of duty to serve my parents food at their home. Mom and Dad loved Karen. When my mom passed last spring Karen again provided comfort to our family by her presence during the services and taking charge of the reception at our home. I will always remember my private conversations with Karen during my moms illness. Karen's strength and courage were exemplified by her daily actions and service to others. Never once, did she let the burden of her illness weigh heavy on those she served. A woman for the Ages.

I never had the opportunity to provide that service to her, but every time I called her she would always say Mark, give me a call next week and I would love to hear what you have to say, she was never rude, she was always kind and sweet. It has taken me many hours trying to decide what to put down in this memory space. There are not enough words in the English language to describe Karen. I have known her for over 28 years and she was an incredible person. Her kindness and generosity are un-surpassed and her fine dining can not be matched. I personally have been blessed by both of these qualities. Three years ago, she catered my 50th Anniversary as a Sister of St. Joseph--- my family and friends are still talking about it. Like everyone who was a part of Karen's life she took a part of my heart in her passing. However, like her, she left a part of her heart that will stay with me till we meet again. My heart is deeply saddened with the news of the passing of Karen. I first met Karen through a friend, Linda Rodriguez Layton, in the early 80's when she came to work at my father's restaurant, Tonino's Trattoria, in Liverpool, NY. We all knew we were going to like her from the minute she walked in the door. She had enthusiasm, creative ideas, great personality and was someone who didn't mind working those long restaurant hours. You asked her to do a job and it got done. I left Tonino's in 1987 to pursue a career in the airline industry and even so I kept in touch with Karen throughout the years. We could pick up where we left off like time had not separated us. Karen and a friend, unbeknown at that time to me who it was in that other boat, even came to my rescue when my boat stalled out on the Seneca River, just a ways from my home and she and her friend towed me in. That's the kind of caring person Karen was. Always willing to lend a helping hand. To Karen's Mom, you raised a wonderful daughter and I'm sure she was the best sister a brother could ask for. You will be missed Karen White. May you forever watch over us all and forever be at peace. I'm glad you were my friend. My sympathy to your partner and to all. Anthony Mucedola and Stephen Doloisio
