Dear Phil and Bonnie, Deepest sympathy to you and your family. You, your siblings, children, and grandchildren have truly been blessed because of the upbringing your parents gave you. Through their words and actions, they instilled strong values - work ethic, compassion and respect for others, and, above all, love and devotion to family. Their memories will live on in the character attributes you display and pass on to future Oropallo generations. We are thinking of you all at this difficult time. Pat and Bob DeLong
