Joey will be missed by many, especially his mom. I can't imagine not having him here. He was one of a kind. That kind was a rare breed. Kind, loving, big hearted and gentle. I'll always miss and love you Joey.....

I was privileged to have gotten to meet and get to know such a kind, caring, loving man. Joey always had a way to make me smile and feel better about things. To get a quick text from him made my day. Knowing he is in heaven watching over us makes this heart hurt BUT smile at the same time. I will miss my dear friend terribly. Thank you Joey for making me a richer person for having had you in my life.
