My friend Mary you will be so missed and loved always. I will never forget you smile when you came up to the square to see Anthony and he would give those puppy eyes to get his way. We both gave in to him so quick it was crazy. Now you will be with him and the girls and I hope you will all smile down on us and think of us as warmly and fondly as we will you . Love always , Cyndi Perry and the 4-south crew
