Thanks, Mr. Stagnitta!! knew Mr. Stagnitta from his stopping by my dad's store, and our kids were students of Mr. Stagnitta in his music studio from around 2008 to the time of the fire a few years ago. My kids loved him. For this post, my oldest son said, "Whenever we wanted to do something -- change instruments or play a different song -- Mr. Stagnitta let us. He wanted to inspire us to play music." He inspired us (the parents), too. Joe was always smiling, always good-natured, always loving. We were blessed to have the time we had with him.

Godfather Joe, Some of my fondest memories as a child was when Dad would come to town and we would come visit you at Stagnitta music . You always made me laugh and made me feel welcome. I always managed to leave the store with a mini harmonica or some sort of musical instrument. You were great inspiration and mentor to my father growing up and will be missed by both of us . Love, Goddaughter Shani Marie Stagnitta and Frank Stagnitta
