We have many memories of Joe as we recall first meeting him with Benny Mardones several years ago. He always greeted us with a big smile and a handshake or hug before, during, or after concerts or other events...even when he was obviously very busy. We are sorry for the loss of this hard-working, compassionate man. Our sincere condolences to Joe's family and those who called him friend. Dick and Pam Lynch, Oneida, NY

Sophie and family - Condolences to your family. I appreciated everything Joe ever did for me. Joe and me had similar interests - especially with our sound systems. Joe always made time to see my family when I came home and we had a great relationship. I will miss him very much. It is always hard to find the right thing to say when something like this happens so I chose a picture when Joe and Sophie picked Loretta and me as ring bearers for their wedding. I saved this picture and I found it a few days ago on my coffee table in my stereo room.

A true gentleman who set the example of how to live . Hard working, a great friend, and a man who loved his family first. The happy memories, the juvenile humor, funny jokes and pranks that piled up through the years will always be remembered. They say a man who lives in the hearts of other men ... lives forever !!! Joe will live forever !!! I will forever miss him.... and I say thank you to Sophie and the DeMaio family for sharing him with us .

My deepest Sympathy to Zofia and the family. I met Joe many years ago through Benny and over the years we became very good friends. Joe was a kind, sincere, loyal, caring and honest person. Our last conversation was at the Emerald restaurant at the Turning Stone Casino last December and so it is surrealistic to learn of his passing. RIP dear friend.

Zoysia, what can be said, what can be done in time of grief and sorrow? We can remember the good times spent with friends and family. Al and I will always cherish the great times the 6 of us had at my brother Casey's and Linda's house. Our deepest sympathy sent to you and entire family. Teresa and Al Buczek

He was the cool great uncle of mine with his own creative multi-themed video store in Seneca Knolls that I would visit and rent videos with Grandma Pat in the summers. Loved their fun atmosphere and spirits. Always so kind helpful and family oriented. A true achiever and model patriach. He helped me buy a car and reminded me that talking to my family during tough times is important. Never fall away from the family tree until time let you go. I love you Joe. I love your family, our family and I will never forget your spiritual impact on me.
