Danny and family, we are so sorry to hear of your mother's passing. Our condolences go out to you and your loved ones as you say good bye to a wonderful woman and mother. I have very fond memories of your mom from when we were kids. Typical Italian mother! I had the pleasure of a wonderful conversation with her a few years ago. She will be missed my friend. Sincerely,

David , Danny and family I am so sorry for the loss of your mom. We knew her well as she spend a great deal of time with my mom Mary Ann at our house. Often when our son Nathaniel was just a baby, both mom and aunt May Jane would babysit on a Saturday evening so that Julie and I could have a night out. When we returned we would hear all of the funny and crazy things that happened while we were gone and we would all have a good laugh. My dad was very close with your mother as both of them were so full of life. I will never forget her smile, her laugh and her sense of humor. I have always said that if someone can laugh from their heart they will usually live a long and happy life. That was your mom and we sure will miss her. Our deepest love, Wayne & Julie Scripa
