Gen was a great friend to my mother Mary. They shared many laughs over the years and brought joy to each other's life. They are together now in heaven - I can only imagine how happy they are to see each other again. I'm so sorry for your loss but hope that knowing she is with those who also love her brings you some comfort.

My girlfriend and neighbor - she was such a no-nonsense person. Our birthdays, along with Theresa H, are within the same week and we'd have a little party in her room at her house. Lots of laughs and discussion, esp when Louise was there. RIP and God bless the family.
