My sincerest condolences to your family.Being your next door neighbor for 50+ years. I will always think back fondly of him. I remember him taking a bunch of us neighborhood kids up to A-Bay when we were 8 or 9 years old, and going out on the boat(it was red if memory serves). That was my 1st time up in the 1000 islands and have been up there many, many times since. Whenever I'm up there, I always give a little nod to him in my head as to thank him for introducing me to such a unique, wonderful place that I have so many great memories of..He was always a wonderful neighbor and an even better human being.My heartfelt best goes out to you.....Chris, Tom, Jeff, and your mother.Gary Carducci

To Tom's Family,There are many of us at Niagara Mohawk that remember Tom from his training days. We would travel from all over Upstate NY to Syracuse when we were just starting our careers. Tom was an expert in how to assist customers and his words of wisdom were greatly appreciated.Condolences from all of us at "Mother Mohawk".

To Ann, boys and all the family. One could say that an individual spends almost an equal amount of time with co-workers than one's family during their career. I was most privileged to travel with and work side by side with Tom. We worked hard and played hard. A true gentleman who was loved by all at Niagara Mohawk. Beautiful tribute video. Please accept my condolences. I am sure the good Lord will have him coaching some teams very soon. Rest in peace Rossi. John Scala

Mr. Ross was a wonderful man who was an important part of my life growing up on Greystone Drive. There are so many stories to share but they all have similar themes. Mr. Ross spent a lot of his energy building into people and making life better for his family, friends, church and community. Please know I am so sorry to hear of Mr. Ross' passing but also know I feel very happy and blessed to have been on the receiving end of Mr. Ross' generous spirit. His selflessness coupled with his love for life truly enriched everyone that had the pleasure of knowing him.- Pat R

Chris, Mrs. Ross and family, My deepest condolences on the passing of your Dad. He was always so very kind, thoughtful, positive and helpful. Whether it was basketball or baseball, he was there to lift everyone up. When I was about to graduate from LHS, he offered and allowed me to train on computer equipment in an effort to help me get used to using current technology. Once at Siena, he gave me a much needed ride home when he was in the area. I didn't ask, but he would tell my Dad when he was in the Albany area and ask if I needed a ride. Just a wonderful man who left me with those warm feelings and I have no doubt that is what he takes with him, and what he has left so many others, as he moves on to his next adventure. All my best.
