He loved his family passionately and held friends close to his heart! He cherished oldies music and classic cars, and in his younger years, he loved drag racing!

Al, you will be missed dearly by all who knew and loved you and you will forever be in our hearts!! We know you are baking bread, making kielbasa, looking over us all and driving in the fast lane in the heavens above.

Rest easy Uncle Al. It has been a lifetime or 2 since I saw you last, but you always had a smile and infectious laugh and kept us kids laughing when we visited. Have a cup of coffee with Mom. Much love.
