Diana Murray lit a candle in honor of Marilyn.

My Best Friend, Marilyn, and I were like sisters some of the time, the rest of the time "Thelma and Louise" (reference to the movie). I am blessed to have had a long friendship, many happy times shared together, and all the joy Marilyn brought into my life. She really was the "perfect friend" - loving and caring and always there in times of need. She will be missed immensely, never forgotten, and remain in my heart forever. I send my love and prayers to all the family at this most difficult time.

We send our sincere sympathy to John and family and want you to know that Marilyn always held a special place in our hearts because she was a very special friend to both of us. Marilyn and I were classmates in school for years and hung out together after school and then we stayed good friends throughout the years after. You know that she is smiling and watching over all of you right now and that she is at peace. May God bless you all always! Jeannie (Cooper) and George Yerdon
