I just want to share my most sincere sympathy to Brian's family. He was my friend from the gym-first Champion and then Aspen. I have known him casually for almost 30 years. I want to express how nice and kind and gentlemanly he always was. I knew he was pursuing his ESPN career and thought that is why I hadn't seen him in some time. Just last week I thought of him and was thinking I'd send him a text just to see how he was doing. Unfortunately I did not and now regret it. I'm familiar with pancreatic cancer as my husband passed away from it 2 years ago at the same age. I hope Brian's family finds comfort in warm memories of him. I know he was close to all of you and spoke very highly of you. May God bless!

My husband, Bill Parks had worked with Brian at A-B. Bill found out last year about Brian's illness and felt really bad. Bill had told me that Brian was one of the good ones!! Bill did get a chance to talk with Brian before Bill, himself, passed away from an almost 3-year battle with lung cancer. I hope your family will find peace and comfort. Martha Parks

Brian and I started at A-B together in March of 1987. We worked together on many jobs there and I enjoyed every minute of it. The best times was when we worked in the finish beer release cellar and when things were running smooth we had time to talk in the office. He would talk about his times at CBA and Georgia. The most Awesome thing he would talk about was Loni and his Family. I will truly miss Brian. The phone calls, The text and visits. And most of all " That Brian Buck Smile " Loved the man a lot. To Loni, Michael, Michele and the rest of the Family Julie and I send are condolences to you all. Chuck Parker

We remember Brian and his family as former neighbors on Larkspur Drive during the 80's. Brian worked briefly at the Fays Drug warehouse in Liverpool when I was the Dir. of HR. I also remember playing catch with Brian and his brothers in the street. We have very fond memories of those years. Our prayers and thoughts are with the entire family at this difficult time. We will attend the calling hours at Pirro's on Monday.Don & Marion Bregande
