Dear Corrigan family, Our most deepest sympathy to all of you. We knew Joe from the Boulevard Diner in Whitesboro. Whenever we were there and Joe was there he would always come over and talk to us. He always told us stories of the war days and also of his business. He had a good sense of humor and he always kept us amused. We missed Joe when he left for Syracuse. Our prayers and thoughts are with you at this time. Joe may be gone but his memory will never die. Terry VerHeecke & Peter Biederman

My thoughts are so jumbled now. I just spoke to Joe 3 weeks ago and he said he would live forever. It was so great having Joe in my life, he volunteered to be my Dad last year when I lost my mother. There are so many things about your Dad that he shared with me that I would love to share with you. Please contact me as I would like to attend the burial. We went through so much together that I feel as I need to see this through and say goodbye. Thank You for sharing and trusting in me to care for your Dad. He will be in my heart forever.....Jane Marolf.....334-7087.....please call anytime.
