Dear John and family, I have many fond memories of spending time with you and Diane and of course your parents at their home on Geddes St. I have thought of you all many times through the years. Your Mother was my godmother. And of course you were only called Buddy back then. I see your Mother in Diane, every bit as pretty. Mike and I wish to express our sorrow with her passing and know that she is at peace. Sincerely, Joan Kelleher Echan
