Connie played a big role in my upbringing when I was a young child. I still fondly remember the times spent with her and her family, even after all these years. The big Italian dinners were always my favorite! Connie's daughter and my mom, Sharon, were good friends for many years, and Connie and Andrea looked after my mom and me numerous times throughout those years. I will always remember Connie as a sweet, kind-hearted, and approachable woman. My thoughts are with her family during these difficult times. My apologies for my condolences being so late as I didn't come across this until recently. Connie, my mom is now with you up there. I know you welcomed her with open arms. I'll miss you both!
