I worked with Joanne at the Town of Salina for many years. We became friends and frequently went out to breakfast together. She was always so sweet and caring. I was lucky enough to see her and say "goodbye"... As she was falling in and out of sleep, she asked about my family. That's the kind of woman she was. A gentle, loving, kind soul. May she rest in peace. She will be missed. Condolences to the family.

My condolences go out to the family! I was so sorry to hear about her passing! I met Josephine about 25 years ago at her favorite place to go which was to get her hair done with Joseph at the Carriage House Salon every Friday morning 730 am! I got the pleasure of knowing her and seeing her! She was always so full of life and happiness! Love talking and being around family and friends! She was definitely one of a kind and will be missed! ❤️

When I first met Joanne a few years ago I met a woman who was passionate about her family and friends. Always a smile, always concern for the other person, genuine love was felt. I didn't know her for many many years as I live next door to one of her long time friends (the ladies brought me into their group); but she treated me, as they all did (and do) as if I had been around Joanne and the rest of the ladies for years). I feel proud to have known this amazing woman and will try to live my life with the influences she left behind-kindness, love, caring and concern for our fellow man. I will miss you Joanne, God has you now and we can all feel happy you are up there looking out for all of us. Peace is now with you my friend. ❤️ ❤️ ❤️

Julie & family, I was so sorry to hear about your mom. She was such a good friend to my Aunt Jackie Bernardi (who is also my neighbor). Every time she visited if I was outside she would always stop & chat, always ask about my kids, such a sweet kind woman. She would always remind me that I knew you and your kids (which I knew of course) but she would update me & was so very proud of her grandchildren. Such a happy lady all the time. I'll miss seeing her and will pray for your peace during this very sad time. Much love to you all. Anne Piraino

Katie and family, As far back as I can remember, your mom always greeted me with a kiss, a hug and a "Hi honey! How are you? How's mom and dad?" She was such a beautiful soul ❤️. She will be greatly missed and the only consolation is knowing that she's an angel watching over everyone. Thank you for sharing her with all of us.

JoAnn has always been intertwined with our family from the time she was old enough to call my sister Betty her aunt. The relationship grew even stronger when JoAnn's grandmother Josephine and Frank Butler became my Godparents and Joann was there and always told the story of how she remembers the day I was christened and how in those days they pinned money on the baby's christening gown. Joann and my brother we're good friends and through the years Joann and I became friends, and she would always greet me with "hello dolly " with that beautiful smile and a big hug. When I got married my husband was in the Navy so we didn't see each other much but when we came back that friendship was still there . I went to 4th of July at her house I remember her husband Tom and Katie and Julie when they were young and when Katie had the twins. Joann was more than my friend she always felt like family even though we weren't related. At little Davie's First Communion we had a picture taken together that I will treasure always . So to Katie, Julie, Madison and Donovan my sincere sympathy for I loved her and will always carry the memory of her in my heart. God bless you all and may she Rest In Peace.
