Kyle was one of sweetest kids, He always said hello to me and asked how I was when ever he saw me no matter how long it had been. He loved to tease people to make them feel better or laugh. He used to tell my sons when they were hanging out at my house, you know things are going to change around here once I'm your step father and then they all would laugh and laugh. Kyle we are going to miss your sense of humor an you being so caring. Rest in peace Kyle

Kyle was one of my best friends ever since we were little kids. For years he was like my brother. He was always there for me no matter what the situation, and I was always there for him. Growing up, his house is where the Wolfpack ( Kyle, Jeff, Rick and I ) always hung out, driving his mom crazy half the time I'm sure. Out of all the memories I have of Kyle, it's the little ones that I'll miss the most. Going outside to throw the football around is something Kyle and I along with his brother Rob would often do. Kyle and I both loved the Green Bay Packers and would watch Packers games whenever they were on tv. I could go on and on with all the good times we had. To Kyle's family I am so sorry that his life was cut so short. I know he loved you all so much. He was such a great friend, and will be forever missed by anyone who truly knew him.

I am at a loss for words right now... Kyle was one of the most caring, loyal and trustworthy best friends that I have ever had. Kyle had such an amazing personality and always knew how to make everyone around him laugh. We didn't get a chance to hang out often over the last few years, but I'm glad that I was able to tell him that I loved him the last time I seen him. To the family- I am so sorry for your loss! There are truly no words. My thoughts are with you!

My thoughts are with you all during this difficult time. I hope his family and loved ones can find peace in knowing how much of an impact he had on so many people. Kyle was my best friend for many years. He was always the most caring and funny person in the room. He was so selfless and I think his main goal in life was to make sure his friends and loved ones were happy and laughing. He always took care of me and kept me laughing. I am so lucky to have had Kyle be such a huge part of my life and and thankful for knowing him. I wanted to share this picture of us on graduation day because he was so happy and proud to have graduated.

Kyle was a very dear friend of mine that I met years ago through Stephanie. I will never forget all the fun times we had together. He helped me in so many ways through my life. He always looked at the bright side of things. He always helped you have a brighter day when skies were grey. Always made you smile with his voices he made and jokes! I never imagined this day would ever come so soon for us all to say goodbye but unfortunately god had other plans for his sweet soul. Kyle will be missed by so many. He crossed a lot of people's paths along the way. To his family I am so very sorry for the loss of Kyle.. I know your lives will NEVER be the same but please know and remember he is at peace now. To his parents you did a great job raising him. He was always so respectful and just a great kid. Try to keep your heads up through this dark time and find comfort knowing he is your guardian angel now! Kyle you will never be forgotten... although our last conversation a few months ago wasn't the greatest please just know I only wanted the best for you!!! Rest In Peace Kyle! Until we meet again my heart is broken for all. ❤️
